

Funded by the Multi Donor Fund for Aceh and Nias (MDF), World Food Programme Shipping Service, a module of the WFP Global Logistics organization, established in October 2005, offering the overall total logistics support services to the Humanitarian reconstruction initiatives in Aceh and Nias. Phase two of the operation, the focus is on the Logistics support service (LSU) incorporating cargo handling equipment, Port capacity development and latent cargo forecasting. www.wfplsu.org

OVERVIEW - CURRENT OPERATIONS

World Food Programme operations now focus on:

Logistics Support	Providing logistics support & consultancy to private sector and humanitarian organizations operating in the NAD-Nias area; Rental of cargo handling equipment
Training and ports institutional capability	Assessing & evaluating ports & institutional capability, procuring and arranging training for staff located at 18 Ports in NAD - Nias
Identification and quantification of cargo prospects	Providing 'latent' cargo demand forecasting & developing a database of existing and potential cargo, linking port gateways to the hinterland and livelihood projects.

The operation has established offices and equipment located in Nias (Gunung Sitoli) Simeulue (Sinabang) and Banda Aceh (Ulee Lhee, University of Syiah Kuala and Lhoknga)

Capacity Development

Port Training

In August 09, 156 participants attended 09 courses from 18 ports and were trained in Health and Safety (2nd run), Port Security (2nd run), English Language (Group 3 week 5 (End)), English Language (Group 9 week 3), Health and Safety (3rd run), Port Security (3rd run), English Language (Group 5 week 1), English Language (Group 10 week 3), IT Training (10th run).

WFP LSU to date have arranged 85 course training modules with 1,355 participants receiving training.

There will be break in training during the Month of Ramadan and Lebaran festivities.

The training commenced on 16th December 2008, there are 34 course modules remaining. Training is scheduled through to the end of December 2009.

English Language Role Play

On 27 July 2009, WFP LSU and STET Maritime Singapore conducted the 2nd quarterly meeting hosted at STET Maritime Singapore offices to update and review past months activities. The first quarterly meeting was conducted at WFP LSU offices, Banda Aceh.

LOGISTICS SUPPORT

The WFP LSU equipment from Simeulue and Nias Islands have been deployed to Banda Aceh, Four Manitou forklift units

arrived from Nias Island on 17 July and Three units arrived from Simeulue Island on 22 July 2009. All Manitou forklifts are stored at WFP LSU area within the UNICEF managed warehouse complex.

Manitou Forklifts from Islands

Banda Aceh

On 11 August 09, WFP LSU and UN Habitat conducted joint assessments to consider the use of the Manitou forklifts to support their sanitation programme in Banda Aceh and nearby Aceh Besar.

UN Habitat Sanitation Programme

On 22 July 09, a private contractor (PT. Citra 91) utilized one Manitou forklift to support the unloading one unit X-ray machine at Airport Sultan Iskandar Muda.

X-ray machine at Airport

Lhoknga (Aceh Besar)

Two Manitou forklift are being utilized by PT. SAI, Lafarge to support new

factory development. The PT. SAI, Lafarge confirmed that they will require one unit until end of the year and one unit will be used on an ad hoc basis, paying the daily tariff rates.

Sabang

The Fine Iron Ore, originated from Lhoong and shipped to Sabang by Barge, stored at an open storage in Sabang Port for export to Lianyungang, China on a bulk carrier with DWT capacity 6000 metric ton.

Simeulue

The new cargo port of Sinabang was handed over

by BRR to the local government on 14 March 2009 by the Vice President of Indonesia in a ceremony held in Banda Aceh to date, there is limited activities at the port allegedly due to no covered warehouse available in the Port.

Nias

480 pieces Duramats will utilize by Help NGO until end of August 2009 to support their housing project in Lahusa.

49 pieces Duramats are used by ACTED NGO until September 2009 to support their project.

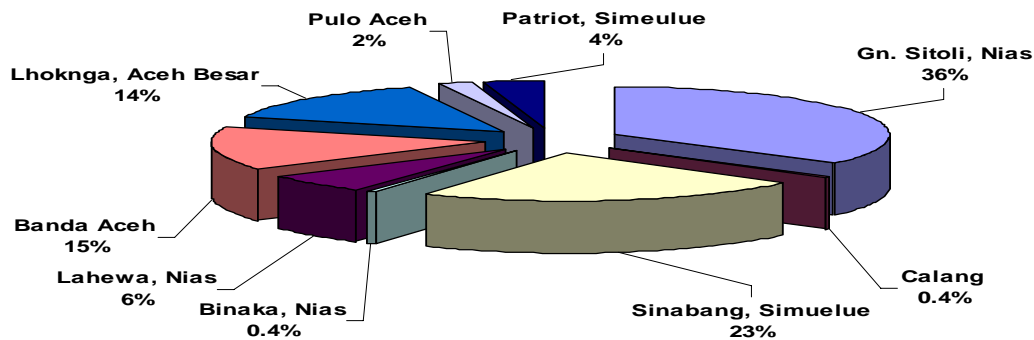

Cost Recovery

Total No of Invoices Issued:	462
Total Amount Invoiced:	\$2,613,915
Total No of Invoices Settled:	455
Total Amount Received:	\$2,604,726

Equipment rental

Rental Equipment Requests	
Total Requests in Week 1 of Aug 2009	1
Total Requests in Week 2 of Aug 2009	1
Total Request up to 2 nd week of Aug 09	2

Completed Equipment Rental by Discharging Port as at 14 August 2009

The high percentages of the equipment rentals have been historically used on the islands, this links back to the initial strategy to place equipment on the islands.
