

Funded by the Multi Donor Fund for Aceh and Nias (MDF), World Food Programme Shipping Service, a module of the WFP Global Logistics organization, established in October 2005, offering the overall total logistics support services to the Humanitarian reconstruction initiatives in Aceh and Nias. Phase two of the operation, the focus is on the Logistics support service (LSU) incorporating cargo handling equipment, Port capacity development and latent cargo forecasting. www.wfplsu.org

OVERVIEW - CURRENT OPERATIONS

World Food Programme Logistics Support Unit operations now focus on:

Logistics Support	Providing logistics support & consultancy to private sector and humanitarian organizations operating in the NAD-Nias area; Rental of cargo handling equipment
Training and ports institutional capability	Assessing & evaluating ports & institutional capability, procuring and arranging training for staff located at 18 Ports in NAD - Nias
Identification and quantification of cargo prospects	Providing 'latent' cargo demand forecasting & developing a database of existing and potential cargo, linking port gateways to the hinterland and livelihood projects.

The operation has closed offices in Nias (Gunung Sitoli) Simeulue (Sinabang) and University of Syiah Kuala (Located in Banda Aceh)

Capacity Development Port Training

The last module of the training commenced with a "Containerization and International Best Practices" course, from 31st May – 5th June 2010. The training took place in the UN Compound, and was attended by 21 participants from related ports in Aceh – Nias, BPKS Sabang (Management Board of Sabang Free Port and Free Trade Zone) and the Government office. Invitations were sent to 25 participants and two observers from University of Syiah Kuala.

Containerization and International Best Practices

On 4th June 2010, the participants visited Malayahati Port to do a half-day field exercise to allow participants to

study the container discharge process.
