

Funded by the Multi Donor Fund for Aceh and Nias (MDF), World Food Programme Shipping Service, a module of the WFP Global Logistics organization, established in October 2005, offering the overall total logistics support services to the Humanitarian reconstruction initiatives in Aceh and Nias. Phase two of the operation, the focus is on the Logistics support service (LSU) incorporating cargo handling equipment, Port capacity development and latent cargo forecasting. www.wfplsu.org

OVERVIEW - CURRENT OPERATIONS

World Food Programme Logistics Support Unit operations now focus on:

Logistics Support	Providing logistics support & consultancy to private sector and humanitarian organizations operating in the NAD-Nias area; Rental of cargo handling equipment
Training and ports institutional capability	Assessing & evaluating ports & institutional capability, procuring and arranging training for staff located at 18 Ports in NAD - Nias
Identification and quantification of cargo prospects	Providing 'latent' cargo demand forecasting & developing a database of existing and potential cargo, linking port gateways to the hinterland and livelihood projects.

The operation has closed offices in Nias (Gunung Sitoli) Simeulue (Sinabang) and University of Syiah Kuala (Located in Banda Aceh)

Capacity Development Port Training

Module 1 of the training commenced with a "Monitoring and Evaluation" course, from 12th - 17th April 2010. The training took place in Hotel Madani Medan, and was attended by 23 participants from 18 ports Aceh - Nias and Government office. Invitations were sent to 25 participants and two observers from University of Syiah Kuala.

Operations and Maintenance

Since the travel restriction in Aceh province was lifted on the 16th of April 2010, Module 2, "Operations and Maintenance" was held in Banda Aceh. The module commenced on the 26th of April 2010 and ended on 1st May 2010. WFP LSU invited 25 participants from 18 ports in Aceh and Nias as

well as staff from Dinas Perhubungan and BPKS Sabang (Management Board of Sabang Free Port and Free Trade Zone).

Banda Aceh Monitoring and Evaluation Activities

There is currently a team visiting WFP LSU for monitoring and evaluation. The schedule is as follows: Ulee Lhee port (5 May); Malahayati port (6 May); Balohan port (7 May); Sabang free port (8 May); Kuala Langsa (10 May); Idi port (11 May) 2010 Idi port and 12 May 2010 Lhokseumawe port; Lhokseumawe port (12 May). The purpose of the mission is to meet with port staff, collecting port data information and also receiving input from participants regarding phase one of the port training.

Lhoknga (Aceh Besar)

One Manitou forklift unit is being used by PT. Semen Andalas Indonesia - Lafarge on a continuous basis. The units are used to handle project-related materials for factory development, consigned by road in containers from Medan.

PT. SAI - Lafarge Operations

Malahayati

During the month of April 2010 Malahayati port had ten significant vessel calls, seven from Indonesian registered vessels, two from Singapore registered vessels and one vessel registered from Vietnam. The majority of cargo came from Padang; 15,072 tons of cement in bulk. 4,930 tons of asphalt in bulk was discharged from Singapore and 8,750 tons of sugar in

bags discharged from Thailand.

Earthquake

An earthquake measuring 7.2 on the richter scale occurred outside of Northern Sumatra on Sun,

9 May. There were not casualties directly caused by the earthquake. A tsunami alert was briefly triggered. As per the procedures, in the event of an earthquake, the BMKG (Climatology, Meteorology and Geophysics Agency)

evaluate the risks of a tsunami. If the BMKG perceive that there is a tsunami risk, they alert the local authorities, who are responsible for activating the evacuation procedures in their respective areas.

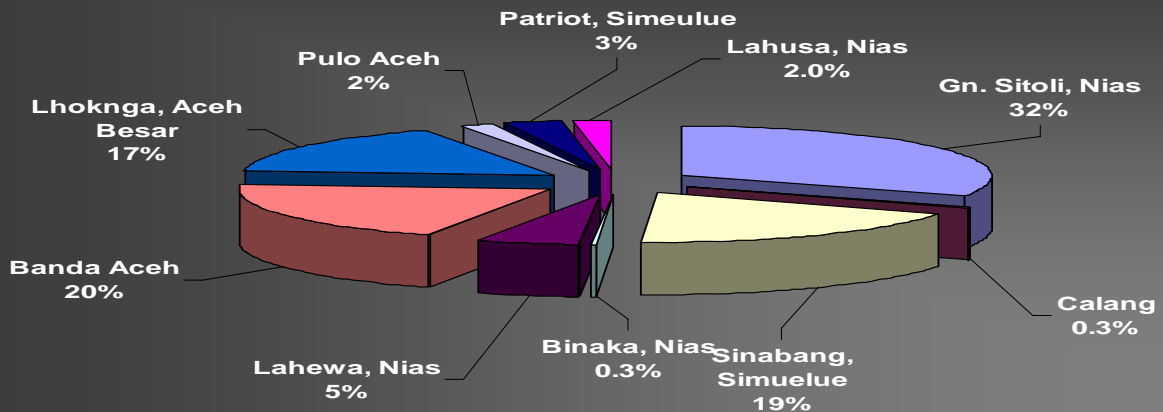

Cost Recovery

Total No of Invoices Issued:	511
Total Amount Invoiced:	\$2,703,017
Total No of Invoices Settled:	501
Total Amount Received:	\$2,696,199

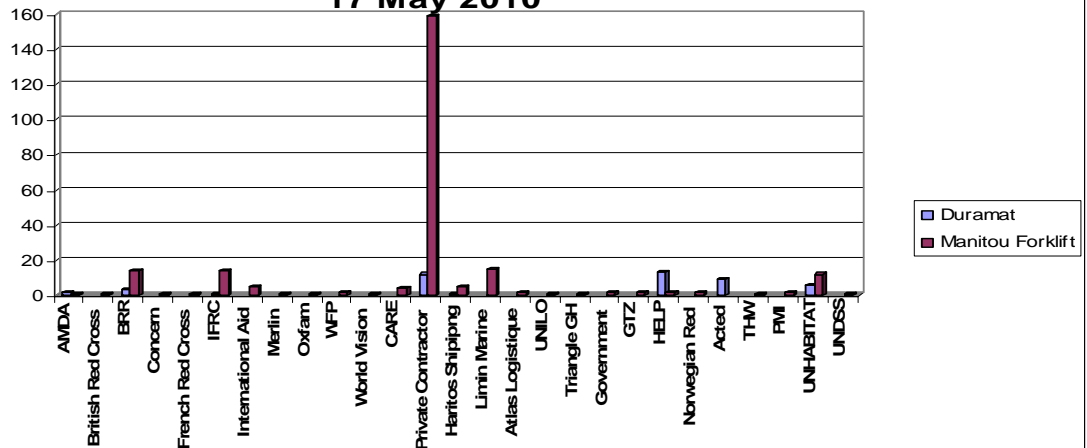

Equipment rental

Rental Equipment Requests	
Total Requests in Week 1 of May 2010	1
Total Requests in Week 2 of May 2010	0
Total Request up to 2 nd week of May10	1

Completed Equipment Rental by Discharging Port as at 17 May 2010

Rental Completed by Type of Equipment as at 17 May 2010

The high percentages of the equipment rentals have been historically used on the islands, this links back to the initial strategy to place equipment on the islands.
