

Funded by the Multi Donor Fund for Aceh and Nias (MDF), World Food Programme Shipping Service, a module of the WFP Global Logistics organization, established in October 2005, offering the overall total logistics support services to the Humanitarian reconstruction initiatives in Aceh and Nias. Phase two of the operation, the focus is on the Logistics support service (LSU) incorporating cargo handling equipment, Port capacity development and latent cargo forecasting. www.wfplsu.org

The continuity and long-term viability of the training is important. To that end, all the course and support materials are collated, collected and stored, developing the embryo for future port-related training which will be accessible through a recognized education Institute in Aceh Province.

Port Training Course Modules - Library

At the end of port training all the materials in the library will be handed over to a selected teaching / training organization.

The chart indicates the courses undertaken to date and remainder of the planned courses.

| No | Course name | Day | Class Run | Actual | Course Balance | Total Days Class Run |
