### Capacity Development Training

In October, 278 participants attended 22 courses from 18 ports undergoing training in English, Computer Training (IT), Type of Vessels - General Ship Knowledge, Effective Communication, Passenger Terminal to Cover Ferry Ro-Ro Type Operations and Hazardous Cargo Management. Certificates are handed out at the end of each course by members of various United Nations Agencies / MDF linked projects present in NAD – Nias, who give a brief overview of their project activities that has links to efficient port gateways.

WFP LSU to date have programmed 114 course modules commencing on the 16<sup>th</sup> December 09 through to 30 October 09 with a total of 1,707 participants receiving training. There are 19 courses modules that remain, the phase one of the training will end on the 17<sup>th</sup> December 2009.

At the end of each class, the participants are requested to complete an **“evaluation / feedback” form**. The preliminary feedback illustrate that students are satisfied with the training and enquired if continuation of the training, is planned for the future, and have been advised through the University of Syiah Kuala

There is a **“Port Training Album” link** which includes pictures on the WFP LSU website (address below): <http://www.wfplsu.org/Port%20Training%20Album/index.html>, the website is updated each Monday.
