**Banda Aceh – Meulaboh Roads:
Blasting Works Conducted**

(www.serambinews.com, 15 April 2007)

The preparation of the USD 250 million US Aid Funded, Banda Aceh to Meulaboh road project commenced with preparatory blasting of the planned route in the Lhoong / Aceh Besar region on the 6th of March 2007.

The preparation phase will be linked to periodic blasting, which will be over a six month period, this being a significant part of this road construction project.

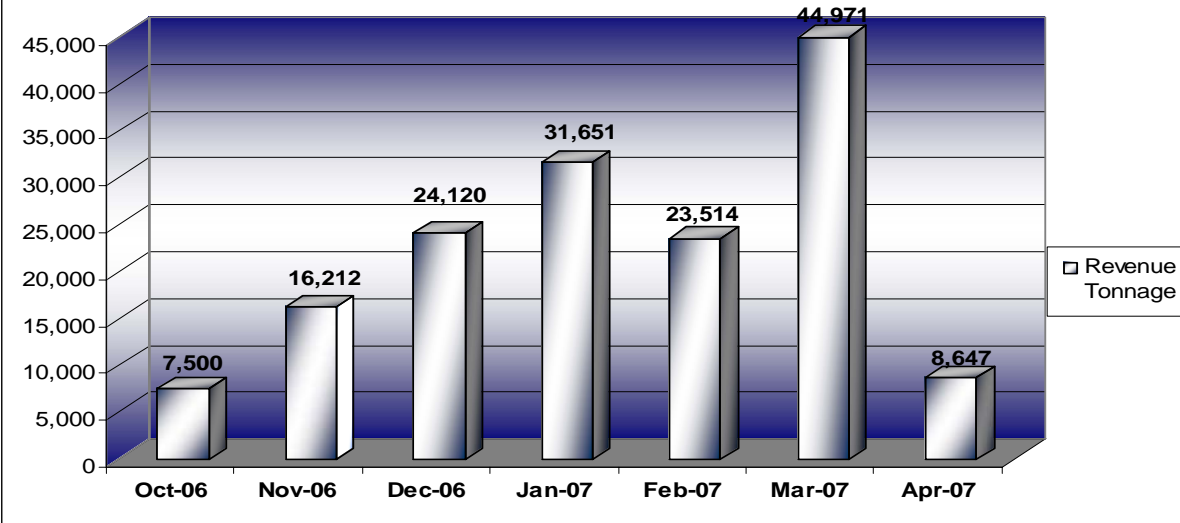

An awareness and safety campaign is in place, meetings have been held, brochure and leaflets disseminated, advising the residents of the purpose of the project, safety procedures to be followed prior to and during blasting operations.

Warning and notices are displayed in advance of any blasting activities, plus temporary closure of the specific areas prior to schedule blasting operations.
