### Timber Documentation

NGOs are urged to liaise with the BRR Timber Help Desk in Banda Aceh and the Ministry of Forestry to ensure that documentation is complete when planning to ship locally sourced timber with the WFP Shipping Service.

Agencies should be aware that an SKSHH document, which is issued by the Provincial / District Forestry Office, is required for all locally produced timber.

With the new LCT ramp completed in Meulaboh, WFPSS has positioned a Port Captain in this location to handle the expected influx of cargo. Any queries for cargo movement into Meulaboh can be directed to Sanjay Sen at +08126992245.
